

ALLIANZ 222<sup>®</sup> ANNUITY

# We've increased the premium bonus on Allianz 222<sup>®</sup> Annuity to 47%

For a limited time only: July 9 through August 26, 2024

## Help provide for your future financial needs – and get a bigger bonus.

Our Premium+ Event is a great time to consider purchasing a fixed index annuity (FIA) to help meet your long-term needs for retirement income – because for a limited time we'll give you a 47%<sup>1</sup> premium bonus for extra accumulation potential.

Along with guarantees against the loss of principal due to market downturns, you'll have tax-deferred accumulation opportunities and the potential for indexed interest – all with the reassurance of a death benefit for beneficiaries before you begin annuity payments.

Allianz 222<sup>®</sup> Annuity can help you **prepare for future expenses.**

## Allianz 222<sup>®</sup> Annuity is a top-selling FIA that offers:

- A 47% premium bonus credited to the Protected Income Value to help jump-start your retirement savings.
- An interest bonus that will result in a credit of 150% of any interest you earn from your chosen allocations.<sup>1</sup>
- The option to start lifetime withdrawals after 10 years with the opportunity to receive income increases.<sup>2</sup>

**CONTACT YOUR FINANCIAL PROFESSIONAL** for complete information.

<sup>1</sup>Please note: Both the premium bonus and interest bonus are credited only to the Protected Income Value (PIV). To receive the PIV, including the bonus, the contract must be held for at least 10 contract years, and then lifetime income withdrawals must be taken. You will not receive these bonuses if the contract is fully surrendered or if traditional annuitization payments are taken. If it is partially surrendered the PIV will be reduced proportionally, which could result in a partial loss of bonuses. Because this is a bonus annuity, it may include higher surrender charges, longer surrender charge periods, lower caps, higher spreads, or other restrictions that are not included in similar annuities that don't offer a bonus feature.

<sup>2</sup>Increasing income potential is provided through a built-in rider at no additional cost.

A top-selling annuity is not necessarily suitable for all clients.

THE PURCHASE OF AN ANNUITY IS AN IMPORTANT FINANCIAL DECISION. YOU SHOULD HAVE A FULL DISCUSSION WITH YOUR FINANCIAL PROFESSIONAL BEFORE MAKING ANY DECISION.

Any distributions are subject to ordinary income tax and, if taken prior to age 59½, an additional 10% federal tax.

Guarantees are backed by the financial strength and claims-paying ability of the issuing insurance company.
